Re: Service Employees International Union Committee on Political Education (C00004036)
24-Hour Contribution Notice (10/9/04)

Dear Ms. Sagri:

On October 9, 2004 SEIU COPE filed two Schedule E 48 hour Reports. The first was assigned filing id FEC-137506 and was followed by an amended version as FEC 137507 when we discovered an error on FEC-137506. The purpose of this note is to clarify that the second filing, FEC-137507, is intended as an amendment that includes the same individual expenditure data as the earlier filing but corrects the [calendar year to date per election for office sought] box on Schedule E that was incorrectly calculated on FEC-137506. Although we indicated it was an amendment in our software program, it is not clear if the files that were uploaded reflect this.

Please call me at 202-898-3465 if you have any questions on this matter.

Sincerely,
John J. Sullivan
Associate General Counsel
